## unit practice steps

## 9 FAMILIES OF UNIT PRACTICING

© KENDALL PRODUCTIONS, Inc.

| 1st | The four step family 1) One bow per note staccato - memorize the passage   |
|-----|--|
|     | 2) Hiccups - quick fingers   |
|     | <ol><li>Doubles - small bow and faster each time</li></ol>   |
|     | 4) If a series of notes, (a run) is being worked on then up  |
|     | bow or down bow staccato would be helpful  |
| 2nd | Use different bowings - (2+2, 3+1, 1+2+1, etc overlapped bowing)   |
| 3rd | Tenuto or - hold on different notes. Example: hold the 1st note, then the  |
| ,   | 2nd, then the 3rd, etc.  |
| 4th | Accent on different notes  |
| 5th | Rhythms  |
| Sth | Tapping fingers - example: a running finger pattern such as 13143321, would be played 1 open 3 open 1 open 4 open etc. |
| 7th | Forwards and backward practicing - (play passage forwards, then backwards).  |
| 8th | Permutations - (reorganizing finger patterns or sequences)   |
| 9th | "Add a pearl necklace club"-add a note to a sequence each time - NOTE, DO  |
|     | NOT attempt to continue adding notes until previous notes are in tunel   |
|     | CONSEQUENCES MAY VARY!   |
